

ABOUT SCOTT CHANDLER

After playing college and professional tennis, Scott became a USPTA certified teaching professional. With over 25 years experience, he has coached State High School Champions, All-Americans, and even a world #1. As fulfilling as tennis has been, teaching truth is his highest passion. A degree from Dallas Theological Seminary and his many life experiences have enhanced his clear, rich, and unique insights into the truth of God's word. As he says, "there is an attempt these days to 'experience God' alone. But one cannot pursue God apart from a pursuit of His Word." In 2008, he was the county chairperson for the Yes 2 Marriage campaign, where citizens of Florida voted to keep traditional marriage in Florida. He also holds a black belt, has flown fighter jets and written articles for many magazines. When not in Florida, he escapes into the mountains of Colorado.
